QUESTIONS TO THE COMMISSION OF THE EUROPEAN COMMUNITIES

3. Question by Sir Tufton BEAMISH

Subject : Aid to be given to Palestinian refugees

In view of the common Community policy towards the Arab/Israel dispute and the undertaking at the Copenhagen Summit meeting to guarantee a peace settlement, what steps are being taken to co-ordinate and increase the aid given in money and kind to Palestinian refugees ?

4. Question by Mr NOË

Subject: Safeguard clause adopted by Italy in the beef sector

Does the Commission agree that the safeguard clause adopted by Italy in the beef sector has not been as effective as was hoped and has failed to check imports, with the result that trade has been distorted and, in particular, that meat and livestock from outside the EEC are arriving in Italy via Member States of the Community?

5. Question by Mr BOUSCH

Subject: Financial effects of the energy crisis

Having regard to the energy crisis and its foreseeable harmful effects on the balance of payments of almost all the Member States, how does the Community intend to participate in the new finance system at world level?

6. Question by Mr LABAN

Subject: Sharp rise in energy prices in the horticultural and fisheries sectors

What action has the Commission already taken or does it intend to take shortly to put an end to the situation in which individual Member States are introducing uncoordinated subsidy measures in the horticultural and fisheries sectors to counteract the effects of the sharp rise in energy prices, and what action has it already taken or does it intend to take shortly to introduce a Community bridging arrangement to solve this problem?

7. Question by Mr SEEFELD

Subject : Behaviour of multinational concerns in respect of cartel agreements

Have the Commission's enquiries into the behaviour of multinational concerns shown any evidence of cartel agreements?

8. Question by Mr FELLERMAIER

Subject : Deflection of profits by multinational concerns

Has the Commission any material evidence that multinational concerns are deflecting profits by setting excessive prices for the delivery of crude and refined oil products, thereby artificially reducing the profits of their European subsidiaries?

9. Question by Mr FLAMIG

Subject : Taxation of profits deflected by multinational concerns

Does the Commission intend to submit proposals making it possible to tax profits deflected by multinational concerns?
